Minecraft astral lucky block mod 1. 12 2

With the Astral Lucky Blocks Mod, there are about 300 new drops (actually more spiral than lucky blocks), including epic new items, and even mini-games. Here's a little taste of what you might expect. See also: Lucky Block Mod there are some swords, bows and potions that are being maintained in happy blocks. Let's say they're pretty epic. There are several new sets of armor as well. This addon also uses the effects of the potions I made in the Core potion, as you can see... Find a friendly fairy that will heal you when you are near death! There are a lot more, but I'll let you open them on your own! Video: Download Instructions: This addon supports minecraft 1.8 as well as 1.8.9, and requires the following mods: Run happy blocks first, so it creates a folder called Addons/lucky_block in the game folder and then drop that addon there and you should be good to go!
